Nancy Wynne Chats About a Number of Things. She Hears of Plans for Mask and Wig Parties

WELL, Nancy took a trip uptown to see the Bowling Marines on Saturday night at the memory and love me, it was worth it. It was awfully good and a great many of the members were there and the Sydney Thayers and the other girls and the Glendinning and lots of those whose boys were in the Marines during the war.

I WAS astonished the other day to hear several women making plans for the mask and wig parties. I thought, how far ahead they do plan; I realized that the mask and wig is only five weeks off, for already the course Lent have passed. And you of course want to make plans for mask and wig parties and Easter parties.
